Promoter's Conditions and Competition Rules

2. All events will be run on a heat declared winner (HDW) basis. There will be no finals.
3. The Promoter reserves the right to amend the Programme of Events to ensure the smooth running of the Meet.
4. It is the responsibility of the individual to report to the competitor stewarding area in sufficient time for each event. The Promoter will not be held responsible for a swimmer missing the start of their particular heat.
5. Starts will be "over the top" where possible, at the Referee's discretion, to ensure that the events run to time in each session.
6. A secondary strobe light for S15 swimmers is available. Clubs with swimmers wishing to use the secondary strobe light should request this when submitting their entries.
7. Backstroke ledges will NOT be available at this Meet.

Awards

For swimmers with no time (NT), club representatives are requested, where possible, to provide an estimated time.

As recommended by the rankings department, all entries will be validated using the online entry tools available at www.swimmingresults.org.
8. Clubs are requested to validate their entries using these tools before submission. Entries that are found to contain errors may be rejected.
