Programme

A Very Warm Welcome To The Windsor SC Autumn Sparkler Level 3 Open Meet

This event would not have been possible without our volunteers and officials. Our sincere thanks go to all who have helped organise and support this event and to the Volunteers and Officials here today.

Thank you!

Hereafter, noteworthy information for all attendees to aid the safe and smooth running of the Meeting, the session and event schedule, and the programme of events are provided.

Large bags and/or dry robes are not permitted poolside. This is to ensure sufficient seating for Swimmers, Coaches, Team Managers, and chaperones.

Lockers are available; please use them. A padlock is required for the lockers. Our Meet Team will ask swimmers to remove bags and place them in lockers as required.

The ventilation system at Braywick Leisure Centre provides cool, clean air through vents along the windows. Placing personal items on the vents, including small poolside bags and clothing items, will prevent them from operating. The Meet Team will ask for such items to be removed throughout the event to help maintain a comfortable air temperature and quality.

We hope everyone has a great Meet and that plenty of PBs are achieved!
